

# Keep the "Art" in the Palace!

**The San Francisco Recreation and Parks Dept. wants a new tenant to develop the Palace's Exhibit Hall. Their three current choices for the site?**

*Boutique hotels or a restaurant!*

**These choices are NOT in keeping with the Palace's tradition of Art and Education, and would RADICALLY and PERMANENTLY change the very nature of the Palace of Fine Arts. San Franciscans have spoken out and *OVERWHELMINGLY* rejected the proposed plans, but the City currently refuses to change course.**

*We need your help to save the Palace for the Arts and Education!*

**Contact the Board of Supervisors and ask them to say "NO" to the three Palace proposals! (415) 554-5184**
